1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

A copy of the computer program has been submitted as requested. In view of the substantial length of the program and since it has not been submitted on microfiche as outlined in MPEP 608.05, the computer program has been made of record in the application and placed in the file, however it will not be made part of the specification and therefore not printed as part of the patent.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John P. Lacyk whose telephone number is (703) 308-2995.
